

Technical drawing of a mechanical assembly in cross-section. The drawing shows a cylindrical component with a top flange and a base. A label "護蓋" (Protective Cover) is in the top left. Dimensions include a top flange diameter of $\text{Ø}28.6$, a base diameter of $\text{Ø}39.8^{+0}_{-0.1}$, and a base hole diameter of $\text{Ø}30^{+0}_{-0.1}$. A vertical dimension "L" indicates the height of the main body. A horizontal dimension "0.8" is shown on the left. A vertical dimension "3" is shown at the bottom right. A horizontal dimension "12" is shown at the top right. A small square feature is on the top flange.

Stack Hight= $12+3=15\pm0.5$
